

**Whereas**, the rule of law must be upheld by judges who respect the Constitution and act to interpret laws as written, rather than make them by legislating from the bench and overriding the will of the people -

**Be it Resolved that We The People** strongly advocate a “**NO**” vote on the retention of Colorado Supreme Court **Justices Michael Bender, Alex Martinez, Nancy Rice, and Chief Justice Mary Mullarkey** in the November 2010 elections, in order to restore accountability to the judiciary of Colorado.
